# 2020 Awards

Honoring the fastest-growing  
technology companies in  
the state of New Mexico

New Mexico Technology

**Flying 40**

New Mexico continues to celebrate a bright future based on technology and the growth of companies that are built on technology. Jobs for the Flying 40 increased from 2,871 in 2015 to 4,692 in 2019 for a 63% increase. Overall revenues were up 99% from \$581 million in 2015 to \$1.159 billion in 2019.

Albuquerque continues to be recognized by business leaders. *Liviability.com* ranked Albuquerque among the 10 Best Cities for Stem Workers. The *2014 State Economy Index* ranked New Mexico's quality workforce #1 in manufacturing value-added.

Our 2020 awardees have made substantial contributions to these rankings and the strength and vitality of our economy. New Mexico's technology-based economy continues to thrive. The Sandia Science & Technology Park Development Corp., KPMG LLP; New Mexico Bank and Trust; the Albuquerque Journal Business Outlook, Delta Dental, True Health New Mexico, NMA Ventures, New Mexico MEP and the City of Albuquerque's Economic Development believe these companies and their employees should be singled out as examples of the best New Mexico has to offer.

The **New Mexico Technology Flying 40** awards annually recognize the 40 fastest-growing technology companies headquartered in New Mexico. The program, now in its 23rd year, invites companies to participate in one of three categories:

1. The top revenue growth companies with revenues between \$1 million and \$10 million.
2. The top revenue growth companies with revenues of more than \$10 million. (Categories 1 and 2 will be calculated on the percentage of revenue growth between 2015 and 2019.)
3. The top revenue-producing technology companies irrespective of revenue growth.

**The Flying 40 awards are sponsored by** Albuquerque Journal Business Outlook, City of Albuquerque's Economic Development, Delta Dental, Sandia Science & Technology Park Development Corp., KPMG LLP, NMA Ventures, New Mexico Bank and Trust, New Mexico MEP, True Health New Mexico
